

Paris Presents

INCORPORATED

POSITION SPECIFICATION SENIOR PRODUCT/GRAPHIC DESIGNER

THE COMPANY

Paris Presents Incorporated is an entrepreneurial, privately held / private equity backed company that creates and distributes strong brands of makeup tools and body care accessories in over 60 countries. Our 70+ year old company is a high-growth, beauty business with a focus on exceptional quality products at affordable prices developed through innovation and on-trend design. Paris Presents has a very fast paced culture, with the senior management team coming from major CPG companies and having strong records of growing businesses. The company has been recognized on Inc's Top 5000 fastest growing privately held companies to work for 3 years in a row.

BRANDS

The company's three core brands are EcoTools®, Real Techniques®, and Body Benefits by Body Image®. EcoTools® is a leader in eco-conscious beauty products, most notably for incredibly soft cosmetic brushes but also offers a line of hair brushes and bath accessories. Since its launch in 2011, Real Techniques® is the number one makeup brush brand on YouTube, the leading share brand in the UK and one of the fastest growing brands in the U.S. Body Benefits by Body Image® is the number one brand in bath accessories with distribution at key retailers such as Walmart and Target.

POSITION SUMMARY

Reporting to the Senior Director of Global Product Development, this position will be responsible for designing new products for Real Techniques, the leading cosmetic accessory brand. The Senior Product/Graphic Designer will be responsible for creating differentiated cosmetic accessory designs to delight beauty consumers while being mindful of pricing structure. The designer will apply their vast understanding of market trends, industry awareness and knowledge of digital graphic programs to create brand right ideas for development. The designs will be thoughtfully developed for manufacturability through consumer performance and enjoyment and reinforce the design language of the brand.

MAJOR RESPONSIBILITIES:

- Design compelling new products that will delight consumers and drive profitable sales.
- Research industry trends for both design and make-up look inspirations.
- Create & present trend boards to express the tone, look and feel of design concepts and secure alignment with Manager and Cross Functional partners.

Paris Presents

INCORPORATED

- Develop product designs that are meaningfully differentiated, leveraging key beauty, fashion and cultural trends while meeting Brand briefs.
- Create sketches and collaborate with design and development team.
- Create design specifications for product development team to initiate 3D development and for Packaging Engineer / Creative Services to develop packaging. Specifications may include die-lines, material and color direction. Facilitate transition by creating appropriate files and libraries.
- Create support materials for internal and external presentations.
- Create support materials for the Stage Gate presentations and sales materials.
- Cultivate & maintain working knowledge of the key competitive landscape.
- Manage and support brand visual guidelines by updating library with new or revised designs.
- Work with the team to prepare materials, documents and other items needed for internal & external meetings.
- Partner with manager to understand financials and apply knowledge to design products at the right cost.
- Will be responsible for developing and motivating design talent – interns, junior designers – as required.

IDEAL EXPERIENCE

- Currently a Product/Graphic Designer or Senior Product/Graphic Designer with a consumer-packaged goods or beauty, fashion, accessories company.
- 4-year Bachelor's Degree in Graphic Design.
- 5+ years of professional design-related experience.
- Experience in designing around a project brief and brand guidelines.
- Proven experience in collaborating with developers to design new products.
- Able to effectively articulate 2D representations of 3D concepts.
- Knowledge of print production with the ability to work on a dieline.
- Proficient in: Adobe Creative Suite for MAC, Illustrator, Photoshop, InDesign, Acrobat Pro, PowerPoint, Excel and Outlook.
- Knowledge of production and building print ready files.
- Confidence presenting design trends and product concepts.
- Demonstrated success managing multiple brands and multiple products at the same time.
- A keen understanding of product design and development, packaging, materials, manufacturing and financial fundamentals and strong ability to execute against these fundamentals.
- Experience working with national mass, drug, specialty and food retailers.
- Practical experience with consumer and customer insights.
- Great aesthetic expression.

Paris Presents

INCORPORATED

- Experience in motivating and developing design talent.
- Works well in cross-functional environment.

IDEAL PERSONAL PROFILE

- A passion for fashion and a talent for identifying beauty and fashion trends.
- A tenacious, competitive person who also has a sense of humor and doesn't take him/herself too seriously.
- A values-driven people person who possesses superior interpersonal skills and the ability to work effectively with a broad range of internal and external groups.
- An entrepreneurial, high energy, action-oriented designer who thrives in a fast paced, high pressure environment; who is process-oriented; leads by example; works effectively with minimum supervision; and can think well "on the fly".
- The ability to set priorities and execute against them, while seeing to immediate business needs.
- A multi-tasker with a taste for juggling and experience keeping many balls in the air.
- Flexible, with a growth mindset. Ability to succeed in a changing environment and adjust to varying market and consumer needs.
- Detail oriented while also able to think holistically.
- Open to constructive feedback with eagerness to learn about the business and grow new skillset.
- Strong problem-solving experience and ability.

RELATIONSHIPS

Reports to: Senior Director of Global Product Development – Real Techniques

Manages: May have internal design staff members and external designers and agencies
